

The United States Government Printing Office Style Manual clearly defines the rules of grammar for recording of a proper noun in Chapter 3.2, Capitalization. "Proper nouns are capitalized [examples given] Rome, Brussels, John Macadam, Macadam family, Italy, and Anglo-Saxon." It further defines, in Chapter 11.7, that "Names of vessels are quoted in matter printed in *other than* lower case roman...[examples given are] **LUSITANIA** [or] Lusitania."

This "all capitals" style convention is also known as "Dog Latin" which is a corrupt and corrupting text used in some foreign municipal courts having no jurisdiction over American State Nationals. This style convention applies only to incorporated legal fiction entities and VESSELS operating under Admiralty law in Admiralty or Maritime jurisdictions. Whenever living Americans are being misidentified as "US CITIZENS" or as Officers thereof, without their fully disclosed and conscious consent, crimes are being committed against **your Employers**, on **your watch** via unconscionable contracts. The evidence of "unconscionable contract" appears on every Birth Certificate ever issued by any Territorial Government Franchise doing business as a "State of State", including the "State of **Xxxxxx**", and doubly-applies to every BIRTH CERTIFICATE issued by any Municipal Government Franchise doing business as a "STATE OF STATE" including the "STATE OF **XXXX**". The Municipal United States is limited to the ten miles square of the District of Columbia with respect to Americans and their States. It is an illegal, unlawful, and non-consensual contract to secretly impersonate the Lawful Person of a living man as a Territorial franchise corporation so as to compromise his identity and subject him to foreign law; and it merely compounds the fraud and the crime to further impersonate the Lawful Person of a living man as a Municipal PERSON. This is your **Notice of Liability** for willingly and knowingly participating in any such commercial racketeering scheme absent your prompt action to correct this Mistake, regarding me, my names, and my lawful Person(s).

Black's Law Dictionary "Fictitious Name": "*A counterfeit, alias, feigned, or pretended name taken by a person, differing in some essential particular from his true name (consisting of Christian name and patronymic), with the implication that it is meant to deceive or mislead.*"

Oxford Dictionary: "*Nom de guerre*": War name. A name assumed by or assigned to a person engaged in some action or enterprise.

All American State Citizens are owed The Law of Peace from the Territorial Government and its operatives and the Territorial Government is further required to protect and defend American State Citizens from any action undertaken against them by any foreign power, which **includes** the Municipal United States. We are the **civilian** government. They are the **civil** government. Unless you wish to commit treason against the unincorporated United States of America, you must recognize the difference and defend our Lawful Persons.

The U.S. Government Style Manual, Chapter 3 **requires only** the names of corporate and other fictional entities, or those serving in corporate capacities to be in all capitalized letters. Fictitious names exist for a purpose. Fictions are invented to give courts jurisdiction. Snider v. Newell 44 SE 354.
